Select a video on YouTube and write an introduction to the video. An Introduction to "Lucky" by Pharrell Williams Released in 2014, "Lucky" is the first official song from the movie "Despicable Me 2" and was written and produced by Pharrell Williams. When it came out, it quickly became a hit song, as well as one of the most popular songs of 2014. The music video for this song has been watched over 583 million times on YouTube as of January 2019 which is amazing. This allows people to be able to visually see this song performed live as well as on TV shows such as The Ellen Degeneres Show and Britain's Got Talent on television. It is well known that the year 2014 has been a great success for music and has not stopped showing its dominance to this day. "Lucky" is a song about falling in love and it shows how the lyrics describe falling in love and what it feels like when falling in love. The song has a lot of energy and really gets the listener interested to listen to the rest of the album and see what other songs are being released from this album. The song is inspiring and gives people a message of hope. It talks about how he feels blessed to have "such a good life" and has met such a great girl. He states that people will call him "lucky" but he knows that he wasn't lucky at all. The more interesting part of this song is that it uses sign language in the lyrics of the song and it really makes for some thought-provoking lyrics. With the success and popularity of this song, it is no surprise that there has been an amazing amount of cover songs and remixes to go along with the original song itself. There have been many cover songs of this song done by various YouTube artists. Some of the most popular YouTube artists who have covered "Lucky" are Ryan Beatty, Kurt Hugo Schneider, Megan Nicole, Amanda Anne Platt and Plumb, Alex Goot, Brianna Renee, Taryn Southern and Devan Coogan who are all popular pianists on YouTube. People love listening to these artists play these songs because they are enjoyable to watch when played live. Fans enjoy watching the original artist perform the song live with their own background music in the background or in front of a live audience in a concert.
